

UNDER 13 INTER COUNTY STAGE 1: 24 October 2010

The boys travelled to Sussex and played against Surrey, Sussex and Kent – really tough opposition. For some of them it was their first competitive county event and although many of the opposing players had more extensive experience, the team (listed below) put up a very good fight on the day.

BU13 Team: Oscar Khoo (Harrow), Callum Zehner (Cumberland/Finchley Manor), Danny Hilton (Coolhurst), Blair Dray (Southgate) and Josh Abbs (Amida)

Many thanks to Jon Zehner, the U13 team manager, for all his hard work and co-ordination.

Under 17 Boys Stage 1 : 24th October 2010

On the 24th October the Middlesex team of Matthew Wells, Ben Dixon, Paddy Harrison, Sam Dixon and myself travelled down to Kent to compete in the first round of inter counties. We knew that we would be against some strong teams when we heard we were facing Kent, Essex and Hertfordshire so the aim of the day was just to relax and have some best games we could. First up was Herts and a very strong team and this was reflected in the scores with all of us losing 3-0. This continued throughout the day, the team in total winning only 1 match and 1 game, that match going to Paddy Harrison and me winning a game. The day wasn't a total success but it was what we expected, but through all this we still managed to have some fun and have some squash training!

Very many thanks to the U17 Team Manager, Jeff Hallifax

BOYS UNDER 15 STAGE 1 INTER COUNTY 10 OCTOBER 2010

Cumberland hosted Stage 1 Boys event for the Under 15 Boys team on 10-10-10 against Surrey, Bucks and Berks. The participating players were

Paddy Harrison

Sam Dixon

Nikhil Sood

Benji Mann

Theo Hodge

The team lost 0-5 to Surrey (with a very narrow 2-3 defeat for Paddy), 0-5 to Bucks though with some closer matches particularly for Sam, Nikhil and Zach, and a very good 4-1 win at the end of a long day against Berkshire 2

Very many thanks to Chris Rogal for organising the event and running the team, and good luck for stage 2 in January where the opposition should be a little less challenging
